

## Some Quotes to Think About

“May you find your passion in life and pursue it with integrity and enthusiasm and come to the end of your life with a sense of satisfaction and joy.”

Sharon K. Young – to her two children  
The Orphan Boy, A Love Affair with Mining

“People do not care how much you know until they know how much you care ... about them.”

Brian Jud  
How to Sell More Books Profitably to Non-Bookstore Markets

“Our [the United States] drinking water and water supply system is one of the safest in the world.”

H. Court Young  
Practical Guide to Water Supply and Terrorism, A Resource for Water Systems

“If you know the enemy and know yourself, you need not fear the result of a hundred battles. If you know yourself but not the enemy, for every victory gained you will also suffer a defeat. If you know neither the enemy nor yourself, you will succumb in every battle.”

Sun Tzu  
The Art of War

“It should be common knowledge that a first step in protecting America’s infrastructure is to educate oneself and others...”

William C. Butler, PhD  
Holistic Security and Internet Resources CD-ROM

“When you are sad, surrender to a happy memory. Stop and remember.”

Diana Burg  
Getting to Know God, Beginning the Journey

“Educating ourselves is one of the best things that we can do. Education about the threat removes the fear of the unknown. While an attack may still be unexpected, with a lot of shock value, education and knowledge help remove the “panic” that can make the situation worse.”

H. Court Young  
Understanding Water and Terrorism, Protect Yourself, Your Family & Your Community

“When the pursuit of happiness seems distant and unreachable think of a joyous time in the past. Stop and remember.”

Diana Burg  
Getting to Know God, Beginning the Journey

“Because of the population growth and the finite amount of water, the entire world needs to better manage water resources.”

H. Court Young  
Understanding Water Rights and Conflicts, Second Edition

“To do something you have never done before, you have to think in ways you have never thought before.”

Brian Tracy  
Change Your Thinking, Change Your Life

Have a great day!
